Sustainability at Heart

Our commitment to open-loop recycling in all our furniture and minimal waste production reflects our core beliefs. This dedication stems from our conviction that...

Life is better outdoors!

By embracing these environmentally conscious practices, we aim to not only protect but also enhance the natural spaces that inspire our products and values.

Our Family Recipe

1. Re-claim #2 plastics (such as laundry and milk jugs) that would otherwise linger for generations, polluting land, and waterways.
2. Fabricate HDPE (High-Density Polyethylene) dimensional lumber to our **proprietary formula** with **signature colors** and **UV-stabilizers** to produce the highest quality recycled lumber for our outdoor furniture.
3. Design and build premium outdoor furniture that lives up to our commitment of durability and comfort so our customers can focus on enjoying life outdoors.

Features & Benefits

Quality and attention to details that you can *SEE and FEEL*.

Stationary
Wide

“ Just a quick note to tell you how happy I am with my By the Yard chairs. They have never left the deck, holding up beautifully through Wisconsin winters and the rest of the Midwest weather. Thanks for making a great product. ”

Carol G.

Swivel-Flex
Wide

Swivel-Flex
Standard

Dining Height Chairs

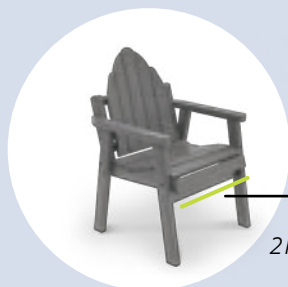

Your perfect seat at the table is as easy as **1, 2, 3.**

1 Choose your seat width: Standard 20" or Wide 22-1/4".

Standard

Allows more elbow room at the table

Wide

2" wider, 2lbs heavier

2 Choose your style: Stationary, Swivel or Swivel-Flex

Stationary

Swivel

Swivel-Flex

3 Choose from 9 back designs.

High back offers back & shoulder support. The angle allows you to sit deeper for more support behind your knees. Great for taller people.

Mission

Days End

Mid / low backs with a slight angle for a deeper seat feel. Great on the deck as they won't spoil the view from your window.

Capri

Chippendale

Emerson

Day Break

Mid-range back height offers great back support. The Horizon is our most popular. The Adirondack aesthetic is a classic design, the back is rounded from shoulder to shoulder for maximum comfort.

Horizon

Ad-Back

We affectionately refer to this as the "Sit up at the table & eat" chair. The straight back is very flexible and comfortable for shorter people who otherwise have trouble resting their feet on the ground. It helps eliminate the need to slide forward for the elderly to rise as well.

Garden

* See page 30 for Table + Chair set pricing.

Adirondacks

Adirondacks are a classic design for the beach, backyard or cabin. You can't help but relax just at the sight of them. By the Yard has gone the extra step to make sure everyone finds an Adirondack style that's comfortable and "user-friendly". We offer 3 styles in 3 different back designs.

The **standard** Adirondack design cradles you in a laid-back position. Classic styling with By the Yard comfort and durability.

Windsor

Our "user-friendly" **raised & upright** design is for those who prefer something a little less laid-back and is easier to get in and out of.

Sand Creek

King features one extra slat across the back with wide arms for regal comfort.

Leave a message that lasts a lifetime – have your By the Yard furniture engraved.

- 1 Select the piece of furniture: style, color(s) and size.
Specify which board(s) will be engraved.
- 2 Compose your message, choose a font and letter style, or provide a logo in a digital format.*

Times New Roman | Arial | Comic Sans

Average number of characters for 72" bench is 52, 60" bench is 43, and 48" bench is 33 (include spaces in your count).

- 3 Fill out an engraving request form online, or call 877.220.0448 for assistance.
The final engraving form will be sent for your approval. Charges begin at \$125.
**Set up and/or graphic fees may also apply.*

We recommend Garden and Horizon styles.

Made for All Seasons

“ I rarely write unsolicited comments to companies, but I wanted to let you know how pleased we have been with your furniture. For the past 4 years we’ve been in Phoenix. Nothing survives the AZ sun. Nothing except your furniture. I’ve looked at other companies, and they have nothing that measures up to yours. Thanks for your great products. ”

Dave M.

Limited 15-year Warranty

By The Yard was founded on the idea of building exceptionally durable, timeless outdoor furniture out of recycled plastic. When something is going to be around for a long time, it needs to be right. That's why we make our furniture to the highest of quality standards and pay attention to the little things that make it structurally sound and exceptionally comfortable. We believe in our product and stand behind our warranty. Once you purchase from By The Yard, you become a valued member of our family!

Limited 15-year Commercial Warranty on our Materials and Workmanship

By the Yard is committed to producing high quality furniture and will warrant its products to the original purchaser for 15 years from the original date of invoice. That means that you can count on our furniture not decaying, rotting, cracking, or splintering and that you will never need to paint, stain or seal your furniture.

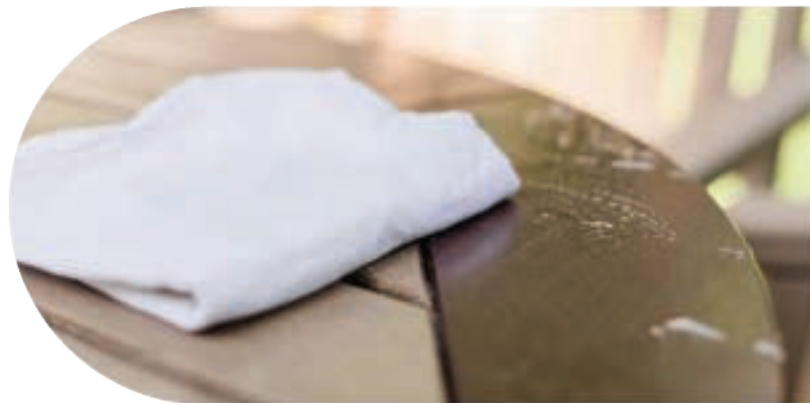

General Warranty Conditions & Exclusions

By the Yard products are made with UV-stabilizers to minimize fading; however, upon prolonged exposure to the sun all colors may fade to some degree. It is also possible that the Xylan-coated stainless-steel hardware, swivel mechanisms, and flex mechanisms can show some rust over time in certain climates. While this is not ideal, it will not affect the integrity or the strength of the hardware.

See www.bytheyard.net for full warranty, terms and conditions.

Eco-Friendly Cleaning Tips

At By the Yard we clean our furniture by simply using soap and water on a regular basis...and we recommend that you do the same. A pressure washer at a low psi can be used if necessary (especially on white furniture) but be very careful not to get closer than 24 inches! Any non-abrasive cleaner can also be used, including bleach to sanitize or disinfect.
